

MVWGA LADIES LEAGUE GENERAL INFORMATION

The Miami View Women's Golf Association invites all women and unmarried daughters (over the age of 17) of Miami View members to join the ladies for the fun and challenge of scheduled golf in 2025. Each Tuesday is the day for ladies to meet their friends and match golfing skills. Special tournaments are planned for extra fun and prizes. All women of Miami View are welcome to join the group at the Opening Meeting on April 8th at 8:30 a.m. in the Pavilion. Every member is encouraged to attend General Meetings, which are listed in the schedule. It is these meetings that plans and policies are made and we hope to have all members participate in the decisions. The Elective Board usually meets one or two weeks prior to the General Meeting. DUES: \$40 per year (non-refundable).

SCHEDULED PLAY: The first day of scheduled play will be April 15th. The league plays each succeeding Tuesday with September 23rd being the final day of play. (June 17th is reserved for the Women's Invitational). Tee times are emailed (18-hole play) by Diane Rottinghaus. Patty Robinson and Lora Huhn will supervise the drawing of chips for the 9-hole players in the Club House.

PRIZES: Winners of any prizes in each flight as well as all tournament results will be posted in our league software. End of year prizes are awarded in each flight for: Greatest Reduction in Handicap, Ringer scores, Average Low Net and Lowest Average Putts. Each player must play in at least ½ plus 1 of the weekly scheduled days to be eligible for prizes. An individual may receive only one end of year prize. Awards are also given for perfect attendance, a Birdie Tree Drawing and any Eagles or Hole in Ones obtained during Tuesday scheduled play.

RINGERS: The Ringer Score is an ideal round composed of the best gross shot on every hole based on Tuesday scheduled play. This is updated weekly by the Records Chairperson and posted in the ladies locker room.

SCORE CARDS: Two players share a scorecard but do not keep their own score. On the scorecard, put the last name first, followed underneath by the first name. Each player must also indicate on the scorecard if they are playing Red, Yellow or Combo tees. Strokes and putts must be recorded and totaled (legibly). The scorecard must be dated, signed, attested and given to the Records Chairperson immediately after play. If the Records Chairperson has already left for the day, please turn the cards into the pro shop.

HANDICAPS: The handicap is used to equalize the scoring ability of all players. The handicap is determined by U.S.G.A., which uses the eight best scores of the players twenty most recent eighteen-hole rounds. Handicaps are computed daily now during the regular season. They refresh the system every evening. ALL 18 AND 9 HOLE SCORES MUST BE TURNED IN, not just Tuesday scores to have a correct handicap. Most events are limited to a maximum handicap of 36 (18 holes) or 18 (9 holes) as in the Invitational and other club events.

TOURNAMENTS, U.S.G.A.: Rules as modified by local rules will govern all play. Rules will be posted for each tournament and players MUST sign up to be scheduled to play. Players must abide by any decisions of rulings rendered by the Tournament Committee.

INTERCLUB (9 HOLE) AND TEAM PLAY (18 HOLE): Opportunity to play other area golf clubs. A team of 4 ladies each week represent Miami View for 9 Hole. This is handicapped. 6 ladies represent Miami View in the spring and 4 ladies in the fall for 18 Hole. The spring team is not
